

# OVERVIEW OF OUR 2026 CPMS MEETINGS

## Case Presentation Rules

- Each group must present at least **ONE CPMS case per meeting**
- The group must agree on who will present
- **You must inform Julia NEVEU and the group at least 1 month before the meeting**

## Outside group presenters

- If someone **is not in the group** and wants to present a case, they can
- They must inform Julia NEVEU **1 month in advance**

## What type of clinical case can I present?

- It may be a clinical cases you have question regarding diagnosis or treatment
- It may be didactic cases already presented at conferences for example, so you can reuse the same presentation
- It can be several patient cases, all related to the same pathology or thematic within a pathology (for instance a specific treatment)

## Who can attend?

- **All ERN-Skin clinicians are invited to the CPMS sessions**, regardless of the group
- This gives everyone a chance to learn, observe, and exchange knowledge
- Case details will be shared with the entire ERN-Skin **before the meeting**

## Inviting other ERNs

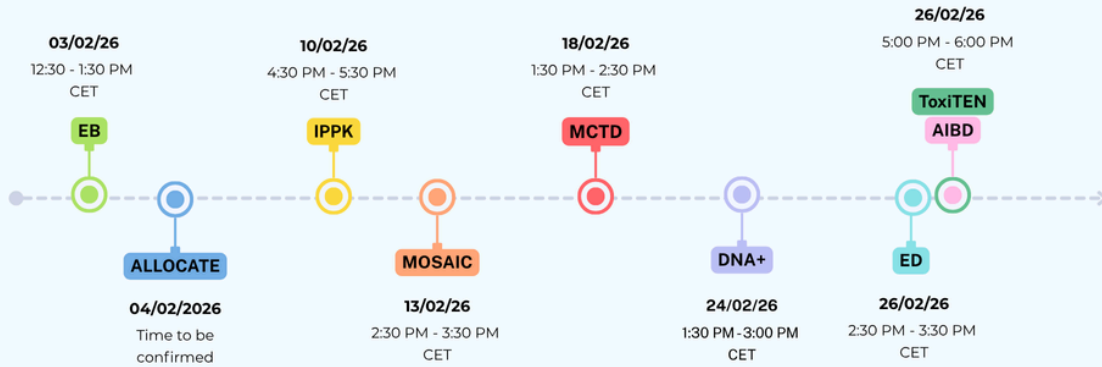

- If you feel another ERN should be involved, we can invite them
- Please let Julia NEVEU know **ahead of time**

## Outside scheduled meetings

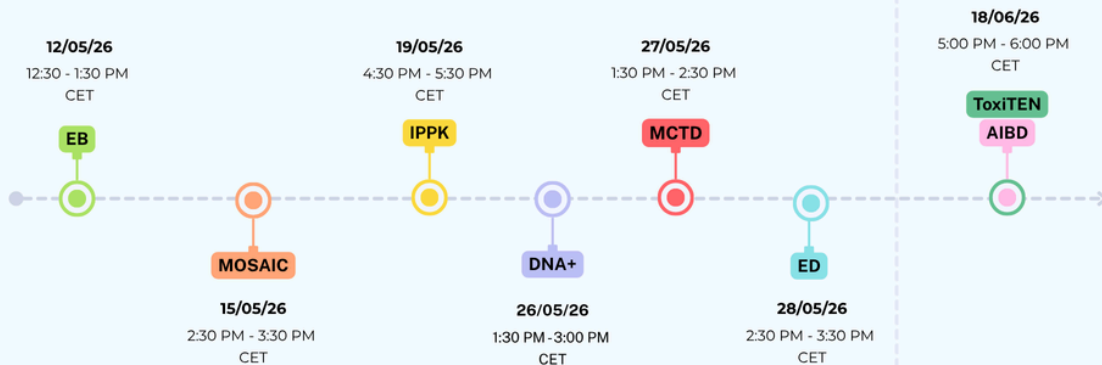

You can contact Julia NEVEU at any time if you want to present an **additional clinical case outside the planned meetings**
