ERRAS practicing

Demo Server

Demo Server Link:

https://demo-ernskin.molgenis.net/skin/ern-skin/#/

Warning!

As indicated on top of the screen, this is a <u>demo</u> website, where only <u>false</u> patient information (<u>dummy</u> data) should be entered. This access is the same for all HCPs, so it is visible from anyone who is part of ERN-Skin.

# Registration

Log-in information

User: testERRAS
Password: jube_fabulists_coiffeur

- Once in, you can click on:

Enter dummy patient

- Then on + (left of the screen):

subject

subject

filters | column

disease

And here you can start by selecting a disease group, moving to the next screens, or using the quick link on the right of the screen. And you can "save subject" or "save draft" at the bottom right of the screen.
