Register

You will be asked to indicate your personal information, as was confirmed for the creation of your account (same email!)

ERN-SKIN

Email verification

You need to verify your email address to activate your account.

An email with instructions to verify your email address has been sent to your address julia.neveu@aphp.fr.

Haven't received a verification code in your email?

[Click here](#) to re-send the email.

To complete your registration, you should confirm your email address by clicking on the link sent to your email address.

The subject of the email is “ERRAS access [Ticket#7digits]”, the sender is support@molgenis.org

The link will expire within 5 minutes of receiving the email.

When clicking on the registration link, you will be directed to the ERRAS registry.

After clicking on the link, the registration process is completed.

You can now sign out and back in again to start the double authentication process.

Add mobile authentication for double authentication

1. You need a smartphone with a Google authentication app or Microsoft Authenticator app or FreeOTP (android or iPhone) which you can download from the Play Store.
2. You open your preferred application, add a new account to the app and scan the QR code from the screen.
3. A one-time code will be provided by the app. You can add the code to the “One-time code” box. Optionally you can add a device name.
4. Then click ‘Submit’ and your mobile phone is connected to the user account.

The same process should be used each time you want to log to ERRAS, to obtain a one-time code.

Mobile Authenticator Setup

 You need to set up Mobile Authenticator to activate your account.

1. Install one of the following applications on your mobile:

Microsoft Authenticator
FreeOTP
Google Authenticator

2. Open the application and scan the barcode:

[Unable to scan?](#)

3. Enter the one-time code provided by the application and click Submit to finish the setup.

Provide a Device Name to help you manage your OTP devices.

Sign in with double authentication

Click on the “Sign in” button in the top right corner.

A screenshot of the sign-in page on the ERN-SKIN website. The page has a dark grey header with the text 'ERN-SKIN' in white. Below the header, the main content area is white and contains the text 'Sign in to your account'. There are two input fields: 'Email' with the value 'valerie.deprez@aphp.fr' and 'Password' with masked characters. To the right of the password field is an eye icon. Below the password field is a link that says 'Forgot Password?'. At the bottom of the form is a blue button with the text 'Sign In'. Below the button, there is a link that says 'New user? Register'.

Fill-in your email and password.
